Parent Portal

Parent Portal has been designed to improve home / school communication and to allow parents to take a more informed view of their children's progress at school.

The Parent Portal system allows you to access details held by child's school including attendance, behavior and child's timetable from any Internet connected computer in a secure way. The system also allows you to receive email or text (SMS) updates of any incidents involving your child such as non-attendance at school.

Sincerely,

AL-Estiqal Private School
